

**Welcome to the Post of
U.S. Special Envoy to Sudan**

I would like to introduce myself.

I am an activist committed to building more just and
comprehensive U.S.-Sudan policy.

My name is _____

I live in the state of _____

Dear Mr. Williamson,

I urge you to take a comprehensive approach to
peace and justice in Sudan that begins by

leveraging full diplomatic pressure to ensure
United Nations command and control of the UN-
African Union "hybrid" force, UNAMID. Further, I
implore you to work for the full deployment of all
26,000 troops and to ensure that UNAMID has all
of the helicopters and technical assistance it
needs to be effective. I also advocate for you to
work to ensure the full implementation of the
Comprehensive Peace Agreement between North
and South Sudan. I look forward to being in touch
as we work together to implement U.S. rhetorical
commitments to peace and justice in Sudan.

Sincerely,

Welcome
Mr. Williamson!
