Join Africa Action's Just L.E.A.D. Campaign this Fall to raise awareness on Darfur and press the next US President to make peace and justice in Darfur and all Sudan a top priority. We are urging the following: Religious Congregations, commit at least two services in the fall to peace in Darfur; College campuses; organize a series of Darfur lecture series; High schools, organize teach ins and distribute stop genocide arm bands. At each event we ask you to fill out postcards with messages demanding action from the next US President. Contact Africa Action [outreach@africaaction.org] for more information and assistance with speakers, information and campaign material.

Host the Africa Action exhibit "Children of Darfur: Picturing Genocide" which includes 8 drawings by displaced Darfur children and a series of other pieces that can be displayed with the art including quotes from survivors and images from Darfur. Contact us to request the exhibit.

We hope that this event will just be the beginning of your engagement for peace and justice in Sudan. Please consider taking further action.
